

Confidence and comfort.

Everyday and **Extended Wear** latex male external catheters (MEC) are designed for men seeking *confidence and comfort*. They are supported by Hollister educational materials and services to help you choose the right product with the right fit.

Everyday™ and **Extended Wear™**

Latex* Male External Catheters

Everyday™ and Extended Wear™ Latex* Male External Catheters

Everyday and **Extended Wear** latex male external catheters are self-adhesive sheaths that divert urine for male's with urinary incontinence. They are part of a complete bladder management system and can be used with leg and night drainage bags as well as with accessories such as tubing and straps.

Confidence

Trust **Everyday** and **Extended Wear** latex male external catheters to:

- *Help drain urine freely* – Double-row convolutions **1** are designed to resist kinking and twisting
- *Stay in place* – Skin friendly adhesive **2** helps maximize wear time and helps prevent accidental detachment
- *Fit most leg and night drainage bags* – The tapered tip **3** helps ensure a secure connection
- *Help protect skin* – The inner flap **4** of the **Extended Wear** latex male external catheter helps prevent urine backflow which can irritate skin

Comfort

Everyday and **Extended Wear** latex male external catheters are designed to:

- *Easy to apply* – The application collar **5** helps make it easy to place the MEC over the glans
- *Easy to wear* – Non-irritating latex **6** is soft and comfortable, and can be crimped for a custom fit
- *Easy to remove* – Skin friendly adhesive keeps the MEC in place yet allows for easy removal

Support

Everyday and **Extended Wear** latex male external catheters are supported by:

- Instructional videos
- Care tips
- Sizing guides
- Over-the-phone clinician support

Available from your Hollister representative to help ensure that you use the right external catheter and take full advantage of its features.

**precaution: this product contains natural rubber latex which may cause an allergic reaction*
